FY 2016 CoC Program Competition - Renewal Project Performance Review Clarifications

If you feel there is clarification and/or comments that need to be considered by the THHI Review Board in reviewing and ranking your renewal project, you may submit a no more than 1-page explanation for any/all item(s) you want to provide clarifications.

Examples of Clarifications/Explanations include, but not limited to:

- The data performance for your program indicates units/people served in your project's most recently ended grant term is different than your renewal project application.
- Your project's performance data shows a low amount of person's exiting your program in the most recently ended grant term and there is a significant reason why.

The one-page document, should be typed, be included with your project's completed Performance Scorecard and contain the following information:

Project Name: _____

Grantee Name: _____ Subrecipient Name: (If Applicable):_____

Type of Project: (PSH or RHH):_____

Your narrative should be concise, and clearly identify the item(s) on the Performance Scorecard the comment/explanation applies.
