Low barrier/Housing First shelters and permanent housing projects are proven effective in engaging and assisting all sub-populations of homeless persons to a path to permanent stable housing. Communities have demonstrated that projects can be well-run and safe without requirements that keep many homeless individuals from entering and/or remaining in their project.

Please answer the following questions related to the proposed project’s eligibility criteria and project rules. The questionnaire will be scored with each “yes” answer receiving 0 points and each “no” answer receiving 1 point. An N/A answer will receive 1 point. Maximum points is 24.
