

System Performance: Exit Destinations

August 1, 2019

The Big Picture: Making Homelessness...

RARE

BRIEF

**NON-
RECURRING**

System Performance

- **Exit Destinations are critical** for measuring system performance and understanding how people move through the homeless system of care.
- Exit Destinations are reviewed at the system and project level.

Missing Exit Destinations
negatively impact system
performance.

Missing Exit Destinations by Project Type

How do we **improve** at capturing exit destinations??

Start by taking a closer look...

Emergency Shelter Missing Exit Destinations

Do you know
where **your**
agency
stands??

% Missing Exit Destination by Agency

Report Date Range:
10/1/2017 – 9/30/2018

Moving forward...

- CoC Presentations will begin including agency and project level information to
 - Increase transparency
 - Improve system performance
- Make sure you know where your agency stands
 - Schedule technical assistance with the UNITY Team for help improving data quality
 - Send an email to support@UNITYofhc.Zendesk.com
