2A. Project Detail

1a. CoC Number and Name: FL-501 - Tampa/Hillsborough County CoC
1b. Collaborative Applicant Name: Tampa Hillsborough Homeless Initiative

2. Project Name: FL-501 CoC Planning Application FY2019

3. Component Type: CoC Planning Project Application

2B. Project Description

1. Provide a description that addresses the entire scope of the proposed project and how the Collaborative Applicant will use grant funds to comply with the provisions of 24 CFR 578.7.

The Tampa Hillsborough Homeless Initiative (THHI) is the Collaborative Applicant for the Tampa/Hillsborough County CoC (FL-501). THHI proposes to use the grant funds to improve the performance of the CoC system as a whole; to develop effective processes and strategies for addressing the severity of needs and vulnerabilities of the community and the availability of resources; and to improve on its role and responsibilities as the Collaborative Applicant and CoC Lead. Additionally, the funds will be used to move THHI towards establishing the necessary systems in an effort to ultimately becoming a Unified Funding Agency (UFA) and a High Performing Community (HPC). The role of the Collaborative Applicant is to design a collaborative process for the development of an application, evaluate the outcomes of projects for which funds are awarded, participate in the Consolidated Plan process, and ensure operation of and consistent participation by, project sponsors in a community wide homeless management information system.

Because of the planning grant funds, THHI will achieve the following outcomes:

- Increased and strengthen its monitoring and technical assistance processes.
- Strengthen and streamlined the Coordinated Entry System.
- Developed the first draft of CoC-wide Written Standards to include CoC and ESG eligible costs and programmatic requirements; models of care; best practices; and standard policies and procedures.
- Strategically allocate funding resources to fund projects that are more aligned with HUD policy priorities of removing barriers to resources and increasing affordable house options to make homelessness rare, brief, and non-recurring.
- Streamlining the distribution of local government funding through THHI to administer to direct services providers; fostering community collaboration; and obtaining additional funding and housing resources for the community at large.
- Contribute to and strengthen the "Homeless Services" section of the City and County's Action and Consolidated Plan.
- Developed a multi-sector collaborative plan "560 In 560" to addresses the issue of unsheltered homelessness and some of the top causes leading to homelessness. The goal of 560 in 560 is to provide housing opportunities to 560 people in 560 days, beginning June 2019 through December 2020. The following initiatives and events will help achieve the goal:

1. Hillsborough County Expungement Clinic
2. Second Chance Job Fair
3. C.A.S.H. Program
4. Hot Spot Mobile Outreach
5. Rapid Exit
6. Speed Leasing
7. Operation: REVEILLE
8. Shared Housing
9. Housing is Healthcare
10. The B.E.A.C.H. House Project

2. Describe the estimated schedule for the proposed activities, the management plan, and the method for assuring effective and timely completion of all work.

The Tampa Hillsborough Homeless Initiative will serve the role of the Collaborative Applicant throughout the grant period. Over the one year period of the grant, THHI will engage in developing the necessary tools and procedures in order to meet the Standards for qualifying as an HPC and compete for UFA status. The work activities under this planning grant will be managed by the CEO and COO of THHI. With a comprehensive, well-coordinated, and clear planning process, we will incorporate and transition the following work activities into the layout of the planning grant according to the estimated timeline for completion:

- Provision of Technical Assistance June 2017 - Ongoing
- Discharge Planning Coordination June 2017 - Ongoing
- Update/Strengthen Coordinated Entry Process June 2020 – May 2021

- Coordinate CoC-wide Housing Initiatives June 2020 - May 2021
- Update CoC-wide Performance Measurements June 2020
- Point-in-time Count February 2021

3. How will the requested funds improve or maintain the CoC's ability to evaluate the outcome of CoC and ESG projects?

The requested funds will continue to improve the CoC's ability to evaluate the outcomes of the CoC through effective system-wide and project level performance measurements and working with local governments to evaluate the outcomes of ESG projects; for example Hillsborough County ESG funds are administered by THHI to ensure that the funds are in strategically aligned between the Action Plan and the CoC strategic plan. The requested funds will also allow the THHI to work more collaboratively with the CoC Executive Planning Committee and the City of Tampa and Hillsborough County governments to establish community-wide written standards and develop best/next practices for the improvement of the CoC. Funds requested will provide staffing to develop and improve upon systems, strategies, collaboration, coordination, procedures, and outcomes that are collectively aligned the two jurisdictions, the City of Tampa and Hillsborough County.

4. How will the planning activities continue beyond the expiration of HUD financial assistance?

The Tampa Hillsborough Homeless Initiative will continue the planning activities beyond the expiration of the HUD financial assistance by utilizing other financial resources the organization has obtain through local government and private community partners. 560 In 560:

The Tampa/Hillsborough County Continuum of Care's plan to address unsheltered homelessness and some of the top causes of homelessness by providing housing opportunities to 560 people in 560 days, beginning June 2019 through December 2020.

TAMPA/HILLSBOROUGH COUNTY CONTINUUM OF CARE

560 In 560

Homelessness is unacceptable throughout Hillsborough County. It is neither inevitable nor perpetual.

Tampa Hillsborough Homeless Initiative (THHI) is designated by federal, state and local governments to serve as the lead entity of the Tampa/ Hillsborough County Continuum of Care (CoC). The CoC is a strategic planning body on the issue of homelessness. Through the efforts of the CoC, our community has made significant headway in the fight against homelessness. Based on the Hillsborough County 2014 Homeless Point-in-Time (PIT) Count, there were 1,091 people unsheltered, sleeping on the street or in places not meant for human habitation, in Hillsborough County. As of the February 2019 PIT Count, 672 people were unsheltered, a five year decrease of 38% in the number of people that are experiencing homelessness and were unsheltered. Our community has also experienced significant decreases in the other subpopulations:

- 15% decrease in overall homelessness
- 37% decrease in Veteran homelessness
- 35% decrease in chronic homelessness
- 36% decrease in unaccompanied youth homelessness (2015 data)
- 37% decrease in family homelessness

The CoC has enthusiastically adopted a series of evidence-based practices collectively known as Housing First. Business, government, healthcare, human services, and philanthropic leaders have coalesced around making homelessness rare, brief and non-recurring in Hillsborough County. In order to truly address homelessness, the community must simultaneously address the top causes of homelessness¹:

- lack of affordable housing
- poverty
- mental illness
- unemployment
- low wages
- substance abuse

The **560 In 560** addresses the issue of unsheltered homelessness and some of the top causes leading to homelessness. The goal of **560 In 560** is to provide housing opportunities to 560 people in 560 days, beginning June 2019 through December 2020. This aggressive and lofty goal focuses on reducing the percentage of unsheltered homelessness by 90% from the number reported in the 2014 PIT Count. **560 In 560** will assemble an array of resources that can rapidly house individuals and families from emergency shelters and move them towards self-sufficiency with minimal assistance. This process will simultaneously make emergency shelter and permanent housing available for those sleeping on the streets or places not meant for human habitation and that require more intensive assistance prior to becoming self-sufficient. The CoC will strengthen its partnerships and programs with key players and develop new partnerships and programs to reach the goal of **560 In 560**. The following initiatives and events will help achieve the goal:

1. Hillsborough County Expungement Clinic
2. Second Chance Job Fair
3. C.A.S.H. Program
4. Hot Spot Mobile Outreach
5. Rapid Exit from Shelters
6. Speed Leasing
7. Operation: REVEILLE
8. Shared Housing
9. Housing is Healthcare
10. The B.E.A.C.H. House Project

1. Hillsborough County Expungement Clinics

In a partnership with the State Attorney's Office 13th Judicial Circuit (SAO) and the Hillsborough County Commission on the Status of Women, Tampa Hillsborough Homeless Initiative (THHI) conducted the inaugural Hillsborough County Expungement Clinic in September 2018. The clinic offered county residents who had been charged with a crime the opportunity to have one criminal record sealed or expunged, provided that the charge did not result in a criminal conviction (complying with Florida law). The expungement of a charge improves residents' opportunities for housing, employment and education.

The application and legal fees to have a criminal charge sealed or expunged often exceeds \$2,500. With funding secured by THHI, the \$75 application fee was waived for each participant. The Expungement Clinic provided pro-bono services valued at \$357,000 to the residents of Hillsborough County.

SAO and THHI agreed to organize three additional clinics in 2019 (August, September and November). Each clinic will serve approximately 100 people. The goal is to provide six clinics, bi-monthly in 2020.

- **Proposed # of Persons Served:** 900 people
 - **Target Population:** People with criminal charges, but no convictions
 - **Frequency:** Bi-monthly (9 clinics)
 - **Total Cost:** \$67,500 (for 900 application fees)
-

2. Second Chance/Re-Entry Job Fairs

THHI will coordinate with community leaders to implement the 2nd Chance/Re-Entry Job Fair. In Hillsborough County, during the 2019 Homeless Point-In-Time Count, 32% of the adults reported they have been charged with a felony in the past. Poverty, unemployment and low wages are among the leading causes of homelessness.

The job fair will focus on providing employment opportunities for people with criminal records who are experiencing homelessness or recently emerging from homelessness. The 2nd Chance/Re-Entry Job Fair will feature employers with current job openings willing to hire residents that are unemployed/under employed due to their criminal record.

The 2nd Chance/Re-Entry Job Fair is an opportunity for residents of Hillsborough County with a criminal record to re-enter the job force. It will remove barriers for employment and housing by assisting ex-offenders who are ready to return to the job market make connections with potential employers and improve their interview skills.

One job fair will be held in 2019 and two in 2020. Each fair will serve approximately 200 people.

- **Proposed # of Persons Served:** 600 people
- **Target Population:** Ex-offenders seeking employment
- **Frequency:** 3 Events
- **Total Cost:** \$12,000 (Set-up fee/venue/incentives)

3. C.A.S.H. Program

The Community-wide Affordable Supportive Housing (C.A.S.H.) Program is a method of increasing access to housing for people emerging from homelessness and are unlikely to obtain housing without assistance. The C.A.S.H. Program has four components:

- Developer Incentive provides upfront funding (\$2,000/year/unit) to establish a long-term contract with the developers/property owners to ensure that the unit will be used for permanent supportive housing for 5 to 15 years. Tenants will typically have HUD-funded housing vouchers and long-term case management.
 - Risk Mitigation provides funding to developers/property owners that experience excessive damages, lost rent, or legal fees beyond the security deposit. Risk mitigation is an added protection for landlords who are willing to reduce screening criteria to rent to people with limited income, poor rental history or criminal history.
 - Set Aside Units are available via a partnership with Hillsborough County’s Affordable Housing Services to provide 10% of new affordable housing units specifically for people emerging from homelessness. THHI is the gate-keeper of those units and assigns the housing to service providers. The service providers then assign residents to the units providing rental assistance and case management.
 - Rental Gap Incentive provides funds to landlords on behalf of clients that are emerging from homelessness. Clients are able to pay rent that is above Fair Market Rent (which makes the unit ineligible for mid-to-long term HUD funds); however “start-up” funds will be needed to stabilize the renter. This expands the housing options for renters and allows the renters to live in areas that may have been initially deemed unaffordable.
- **Proposed # of Persons Served:** 150 people
 - **Target Population:** All
 - **Frequency:** Once every three years, during RFP process
 - **Total Cost:** \$3,000,000
-

4. Hot Spot Mobile Outreach

To address the issue of unsheltered homelessness within several “hotspots” that are experiencing high rates of homelessness throughout Hillsborough County, THHI will collaborate with housing service providers and the current outreach teams within the CoC to coordinate Hot Spot Mobile Outreach (HSMO). Mobile outreach teams in the past have provided basic services (bus passes, snacks, water, blankets, etc.). By contrast, HSMO will be housing-centered. Mobile command centers will be established and remain at the hot spot locations for up to 30 days.

Based on the February 2019 Homeless Point-In-Time Count, 47% (672 people) of those experiencing homelessness were reported as unsheltered. Unsheltered refers to the sleeping conditions of people experiencing homelessness in places not meant for human habitation (parks, benches, sidewalks, abandoned buildings, car, tent encampment areas, etc.)

Currently, there are six designated hotspots based on data collected from the February 2019 Homeless Point-in-Time Count. HSMO will operate at two locations simultaneously for 30 days at each location. HSMO will work in conjunction with Shared Housing (see #8). If necessary, hotel vouchers will be available to expedite the process of providing housing.

- **Proposed # of Persons Served:** 200 people
- **Target Population:** Unsheltered, people sleeping in areas not meant for human habitation
- **Frequency:** Monthly (two locations per month)
- **Total Cost:** \$150,000 (hotel vouchers, mobile command centers)

5. Rapid Exit from Shelters

Over the last three years, THHI has partnered with social service providers to increase the number of Rapid Re-housing Program vouchers in our community. Rapid Exit was introduced in emergency shelters, the domestic violence program and the Community Housing Solutions Center (CHSC) in 2016. Funding for Rapid Exit is provided directly to emergency shelters, the domestic violence program and the CHSC in an effort to expedite the process of securing permanent housing for people residing in those programs that need minimal assistance to become stably housed. In the past, emergency shelters, the domestic violence program and the CHSC would need to refer their clients to an additional program to obtain Rapid Re-housing Program vouchers.

As a result of Rapid Exit, 15% more people are leaving emergency shelters, the domestic violence program and the CHSC to move into permanent housing.

- **Proposed # of Persons Served:** 500 people
 - **Target Population:** People with resources to sustain moving into permanent homes
 - **Frequency:** Daily (Funding is available once in every three years)
 - **Total Cost:** \$1,500,000 (Funded by state and federal agencies)
-

6. Speed Leasing

On July 13, 2019, THHI and its partners will host a pilot housing surge event, 2019 Summer Speed Leasing. Speed Leasing is a formalized matchmaking process which provides financial incentives to landlords who rent to residents that are experiencing housing barriers.

Landlords will be able to exhibit available units and screen potential tenants at the event. Potential tenants will have the opportunity to meet with several landlords during the one-day event. Service providers with Rapid Re-housing funds will provide the short-to-mid term rental and utility assistance needed for securing housing for clients. The goal of this pilot project is to bring individuals and families that are experiencing homelessness together with landlords in a one-day event.

Individuals and families experiencing homelessness will be pre-selected using the community's Coordinated Entry System (CES). CES is a process developed to ensure that all people experiencing a housing crisis have fair and equal access and are quickly identified, assessed, referred, and connected to housing and assistance based on their strengths and needs. The initial Speed Leasing event will focus on housing ten (10) families and five (5) individuals.

The events will be held quarterly; two events in 2019 and four in 2020. Each event will assist 15 households (45 people).

- **Proposed # of Persons Served:** 270 people (90 households)
- **Target Population:** People with resources to sustain permanent housing
- **Frequency:** Quarterly (6 events)
- **Total Cost:** \$45,000 (\$250/successful move-in and \$250 after 6 months)

7. Operation: REVEILLE

Operation: REVEILLE is a housing-first initiative aimed at rapidly re-housing Veterans and developing a system of care to ensure that a Veteran never sleeps on the streets again.

Each year on Veterans Day, THHI in partnership with the member agencies of the Continuum of Care (CoC) and in conjunction with local, state, regional and national partners provide homes to military Veterans in need of housing, presenting each Veteran with keys to their very own home. Each home is pre-furnished and stocked with food and household supplies. Most Veterans will have a HUD-VASH housing voucher.

Veterans are selected for Operation: REVEILLE via the Coordinated Entry System (CES). Veterans are offered supportive services to transition into housing. Case management is available in the days and weeks following their move-in to access other needed services. Some Veterans will require very little assistance, while others will require a lifetime of assistance.

During Operation: REVEILLE each Veteran is assigned to a Comrade: a volunteer, who assists the Veteran throughout the day with navigating the available services on-site according to their needs.

- **Proposed # of Persons Served:** 75 people (50 households)
 - **Target Population:** Disabled Veterans
 - **Frequency:** Annually, on Veterans Day
 - **Total Cost:** \$250,000 (Furniture, food, supplies, etc.) funded with corporate donations
-

8. Shared Housing

One of the primary reasons for homelessness is the lack of affordable housing. For many single people residing in shelters and homeless encampments, an efficiency apartment is not obtainable even with income from low wage jobs or social security benefits. Shared Housing may be the solution for them.

It is common for people to develop a community and a support system while experiencing homelessness. Shared Housing will make housing affordable, keep those relationships intact and promote long term housing stability for those that may currently live together in shelters, encampments and parks throughout Hillsborough County.

THHI will direct funds towards Shared Housing. Shared Housing is not a new concept; however, THHI is developing a local Shared Housing strategy that is one solution to providing immediate housing for single adults experiencing homelessness.

THHI will work with investors to purchase single family, 3 bedroom homes for approximately \$140,000. Funding will be 50% from the investor and 50% from THHI. The homes will have a 10 -15 year recapture requirement. Many of the tenants will have HUD-funded vouchers with case management, but many will be employed with low wage jobs.

- **Proposed # of Persons Served:** 50 units (150 people)
- **Target Population:** Low income individuals emerging from homelessness
- **Frequency:** Once
- **Total Cost:** \$3,500,000

9. Housing Is Healthcare

Stable housing is a critical component to a person's health, especially for those experiencing chronic homelessness and chronic illness. Annually, mental health, behavioral health and substance abuse treatment agencies in Hillsborough County receive \$1.2 million via HUD's CoC Program to provide case management for Permanent Supportive Housing (PSH) programs. The agencies also receive local and state funds for healthcare which may lead to clients having several case managers.

In an effort to streamline the treatment process for participants and to increase the number of housing vouchers in our community, THHI proposes to partner with the Hillsborough County Healthcare Plan, to develop a new initiative, Housing Is Healthcare. This concept is not new to our community; however, timing is of the essence and immediate implementation can add approximately 120 new housing vouchers to our community.

Housing Is Healthcare will replicate the successful collaboration of housing and health care demonstrated at the Cypress Landing complex. Residents experiencing chronic homelessness have HUD vouchers for housing and receive case management and treatment via the Hillsborough County Healthcare Plan.

Using an alternate source of funding for the provision of supportive services would allow for a realignment of HUD CoC Program funding under PSH to be used to provide more housing vouchers for people who are experiencing chronic homelessness. THHI will request a budget amendment from HUD to reallocate case management funds to housing funds. This realignment would increase PSH housing by nearly 40% by adding a minimum of 120 new housing vouchers to our community.

- **Proposed # of Persons Served:** 120 people
 - **Target Population:** People with a disability and experiencing homelessness
 - **Frequency:** Once (HUD budget amendment), Annually (Cost for case management)
 - **Total Cost:** \$3,000,000 (Proposed funding via the Hillsborough County Health Care Plan)
-

10. The B.E.A.C.H. House

The Beginning of the End to Abolish Chronic Homelessness (B.E.A.C.H.) House is an initiative aimed at addressing chronic homelessness in Tampa/Hillsborough County. Based on the past 5 years of data, those experiencing chronic homelessness in Hillsborough County are considered the most vulnerable population and represents 27% of those experiencing homelessness.

The B.E.A.C.H. House would provide a friendly and safe living environment for chronically homeless individuals who are the most visible and the most vulnerable in our community and who would never be able to maintain their own living space due to physical or mental disability.

THHI proposes to establish three houses. Each house would accommodate 15 severely chronically homeless people. Each person would have their own bedroom and bathroom with shared common areas. Long term case management will be included. The houses would be designed similarly to Fisher Houses which are located across the country to provide temporary accommodations for families of military Veterans. This design also allows each person the opportunity to provide and gain support from those who reside at The BEACH Houses.

- **Proposed # of Persons Served:** 45 people
- **Target Population:** Severely disabled/chronically homeless people
- **Frequency:** Once for construction and annually for operations/case management
- **Total Cost:** \$10,500,000 (\$9,000,000 for construction for 3 communal living homes and \$1,500,000 for operation and case management)

Summary: Making homelessness rare, brief and non-recurring is a daunting and complex task. Homelessness is a community issue that requires a community response. **560 In 560** is an aggressive and lofty plan. However, the goals are achievable. Continuous collaborations with our current community partners are required, but developing new collaborations and resources are critical.

Building affordable housing is not the only solution because it is a slow and expensive process. Most people experiencing homelessness will not only need housing, but will require some sort of voucher or subsidy to even obtain affordable housing. **560 In 560** tackles this difficult merger of resources.
