

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/>
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2019 Continuum of Care (CoC) Program Competition. For more information see FY 2019 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2019 CoC Program NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2018 Project Application will be imported into the FY 2019 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2019 CoC Program Competition NOFA.

Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

Data can be imported into a FY 2019 renewal project application from a FY 2018 new or renewal project application. For a project application that did not import last year’s FY 2018 information, e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

Renewal projects that select “Fully Consolidated” on the Grant Consolidation screen may not use the “Submit Without Changes” process and esnaps will automatically be set to “Make Changes”. However, if the applicant selects “Individual Renewal”, this project application(s) can use the “Submit Without Changes” process. In addition, esnaps will automatically be set to “Make Changes” if the project applicant indicates on the Renewal Expansion Screen, this project application is for a “Combined Renewal Expansion” project application. However, the stand-alone renewal expansion project application(s) can use the “Submit Without Changes” process.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:

- Recipient Performance Screen;
- Renewal Expansion Screen;
- Renewal Grant Consolidation Screen;
- Screen 3A. Project Detail
- Screen 6D. Sources of Match
- All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2018 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click “Save” and those screens will be available for edit. Once a project applicant selects a checkbox and clicks “Save”, the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions and esnaps navigation guides found on the HUD Exchange to find more in depth information about applying under the FY 2019 CoC Competition.

Recipient Performance

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? No

Renewal Expansion

As part of the FY 2019 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Expansion. This process can combine up to 1 stand-alone renewal project application and 2 stand-alone new expansion project applications into 1 combined renewal expansion project application. This means recipients no longer need to combine expansion data in CoC Post-Award. Renewal projects that are part of an expansion must expire in Calendar Year (CY) 2020, as confirmed on the FY 2019 GIW or eLOCCS, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a combined renewal expansion in the FY 2019 CoC Program Competition? "If "No" click on "Next" or "Save & Next" below to move to the next screen. No

Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2019 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2020, as confirmed on the FY 2019 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

- 1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2019 CoC Program Competition?** No
If "No" click on "Next" or "Save & Next" below to move to the next screen.

This is a permanent supportive housing project with properties in three locations originally purchased and renovated with HUD and other funding. There are a total of 14 two bedroom apartments (two separate complexes) and a 10, one-bedroom apartments , (veterans are prioritized in the 10 unit complex) (4 two-bedroom units are reserved for families and 10 are used to provide housing for 2 individuals who each have a private bedroom and share the common areas and bathroom.) (15 beds will be dedicated to chronic homeless)

This is long-term community-based housing with supportive services for chronic homelessness, homeless persons with disabilities as well as the children in the families served. The goal is to assist this special needs population to live as independently as possible in a permanent setting. The supportive services are provided by ACTS and partnering public or private service agencies including Gracepoint, Northside Mental Health, Tampa Family Health and the VA. All residents are assisted in accessing entitlement and other mainstream resources. There is no limit to the time persons may remain in the program as long as they comply with the terms of their lease.

The project, based on the Housing First model, provides immediate access to housing and offers assistance in accessing the services to foster long-term stability. Eligible households will be identified through the Coordinated Intake and Assessment System. This process identifies those households most vulnerable and highest priority for permanent supportive housing, as determined by the CoC.

Combined characteristics of persons who are mentally ill and/or substance abusing indicate the need for intensive case management which guides the participant through a sequential placement in assisted housing, complimented by treatment and community support via ancillary services, such as education, child care, parenting classes, employment training, employment, transportation, money skills training, credit management, homebuyer training, anger management/behavioral change course, and other support groups.

Prioritize placements within the Coordinated Intake System and those prioritized based on VI-SPDT score.

Certification of Match Resources Commitment Tampa Hillsborough Homeless Initiative Continuum of Care Programs

It is understood that the Tampa Hillsborough Homeless Initiative (THHI), formally Homeless Coalition of Hillsborough County, is coordinating the FY19 Application to the U.S. Department of Housing and Urban Development under the Continuum of Care Program.

Also, it is understood that the attached project list provides the information about projects being submitted and the number of households who will be eligible for Hillsborough County Health Care and that THHI and other community organizations will be arranging for case management and other community-based services to ensure access to the needed supports to obtain and retain housing placement; and, that care managers will be assisting with applications for disability income, Medicaid and other community resources as appropriate, including substance abuse treatment.

It is understood that the value of the health care received is used as match to support the project's CoC application to the U.S. Department of Housing and Urban Development and that THHI will have the responsibility for tracking access to these resources. The Hillsborough County Health Care Plan (HCHCP) is supported by sales tax revenues.

Hillsborough County is committed to making health care services available to persons at 125% of poverty and below. Given that THHI and other community organizations will be offering services to persons with little or no income, Hillsborough County is committed to providing the match to the project listed below for the grant term indicated:

- ACTS - H.E.A.R.T. (PSH) (1279)– estimated twenty-six (26) adults for the FY19 grant term with the value of match estimated to be \$103,896.00 annually.
- ACTS - Hillsborough Permanent Supportive Housing Project (PSH) (1337) estimated nine (9) adults for the FY19 grant term with the value of match estimated to be \$30,649.32 annually.
- ACTS - More H.E.A.R.T.(1346) + ACTS - More H.E.A.R.T. - THA Voucher(1411)-- estimated twenty (20) adults for the FY19 grant term with the value of match estimated to be \$74,148.00 annually.
